 2 asserted claims and preliminary infringement contentions and identifies the accompanying  
 3 document production for U.S. Patent Nos. 7,024,381 (the “‘381 Patent”) and 6,584,450 (the  
 4 “‘450 Patent”).

5 **INTRODUCTION**

6 This disclosure is made solely for the purpose of this action. This disclosure is subject to  
 7 all objections as to competence, relevance, materiality, propriety, and admissibility, and to any  
 8 and all other objections on any grounds that would require the exclusion of statement contained  
 9 herein if such disclosure were asked of, or statements contain herein were made by, a witness  
 10 present and testifying in court, all of which objections and grounds are expressly reserved and  
 11 may be interposed at the time of trial.

12 Discovery in this matter is still at a very early stage and is ongoing. Indeed, Netflix has  
 13 still obtained no discovery from Defendant Blockbuster Inc. (“BBI”) regarding the  
 14 BLOCKBUSTER Online® system, or its architecture, its implementation, or its operating  
 15 software, hardware and other. Netflix’s investigation regarding past and present grounds of  
 16 infringement is ongoing.

17 Netflix’s disclosure is given without prejudice to Netflix’s right to add to, supplement,

 20 time and is subject to revision.

21 **PRELIMINARY INFRINGEMENT CONTENTIONS FOR**

22 **U.S. PATENT NOS. 7,024,381 AND 6,584,450**

23 Netflix’s Preliminary Infringement Contentions pursuant to Patent L.R. 3-1(a)-(c) for the  
 24 ‘381 Patent and the ‘450 Patent are provided respectively as Exhibits A and B, wherein each  
 25 claim that is allegedly infringed is identified [hereinafter “asserted claims”].

26 Pursuant to Patent L.R. 3-1(d), Netflix contends that each element of each asserted claim  
 27 listed in Exhibits A and B is literally present in the Accused Methods or Systems based upon the  
 28 information known to Netflix as of this date. Netflix reserves the right to assert infringement

1 under the doctrine of equivalents after further discovery of BLOCKBUSTER Online®'s  
 2 methods and systems, and after claims are construed.

3 Pursuant to Patent L.R. 3-1(e), Netflix contends that the asserted claims of the '381 and  
 4 '450 Patents are entitled to a priority date of at least as early as July 20, 1999.

5 Wishing to preserve its right to rely on the assertion that its own methods and systems  
 6 practice the claimed invention pursuant to Patent L.R. 3-1(f), Netflix discloses that it practices  
 7 each asserted claim in both the '391 and '450 Patents.

8 **NETFLIX'S DISCLOSURE OF DOCUMENTS**

9 Pursuant to Patent L.R. 3-2(a), Netflix has identified documents Bates Nos.
